

# Alice's Toaster

C7/A  
Woke up this morning, Went downstairs  
What should I find on the floor  
None other than Alice's Toaster  
I don't want Alice's Toaster anymore

---

How the hell did it get here  
I thought to myself walkin' it out the door  
Gave it to the garbage man  
I don't want Alice's Toaster anymore

---

Next day it was in the trunk of my car  
Discovered it there with Lenore  
She took it to the flea market  
I don't want Alice's Toaster anymore

---

and it happens like this Oh lord Everytime  
I don't like it cause it always burns the Toast  
Why'd she give it to me? Was it for the same reason  
I don't want Alice's Toaster anymore

Interlude >

Then it ~~was~~ appeared in the Garage  
Chanced ~~on it~~ ~~discovered~~ it ~~hidden~~ under some boards  
I smashed it to bits with a ten pound sledge  
I don't want Alice's Toaster anymore

---

I'm ~~standing~~ ~~on~~ the back porch now  
I'm looking out at the yard  
There it is between the Pecan trees  
I don't want Alice's Toaster anymore
