

Till you get here - Lizzie

11/78

When you gonna get here Lizzie  
You won't be long & bet dear Lizzie  
So I'll just sit & ~~wait~~ Lizzie  
On this guitar till you get here

When you been all day Lizzie  
You won't be long & pray Lizzie  
So I'll just wait away Lizzie  
On this guitar ~~off~~ till you get here

The soccer game couldn't take that long  
How long do soccer games get  
Guess you went to gym  
Or out berry crop  
Or stopped to buy the kids a shake

~~So~~ soon I'll hear your tires Lizzie  
Crunch up on the gravel ~~side~~ Lizzie  
Till then I'll just suppose Lizzie  
On this guitar till you get here
