

I'd like to sing a song for you
But it's such a hard thing to do
to sing a song for you

The morning sun cross the sea slides
and you see rainbows in disguise
and tell me that you do

and the sea is deep wide and the sea is deep
no one can improve on the sea

and the sea is deep and the sea is wide
you can run from the sea but you can't hide

I'd like to sit out on the rocks
a pound out your dirty socks
around the pebbles swimming

Horizontal floating light
and I see rainbows in your eyes
The tide is coming
