F#10 L A7 U (base) and I'll tell you now
the ways I'll tell you how
Sometimes (like) a system, sometimes up and down
I L A7 U - and sometimes you'll find out

— So I sang in this song
— you know we get along
walked to the ocean, oh how we belong
I L U - ~~the~~ the way that we come on

We are like a story - we are like a jest
we are like a riddle or an image or a guess
Where in it we come from, where in it we're
Some love's where we dance, other's where we rest

I L U - feeling after met
— almost like a net
Mainly ~~pretty~~ normal, nothing new or so up
I L U - something that I said.
