

I love you (Oct. 76)

Em7 A7 (Gbase) F#10 GCM7 G
 I love you - and I'd tell you now
 Em7 A7 (Gbase) G7 F#7
 I love you - the ways I'd list you how
 Am7 F#9 A9 D9
 Sometimes like a sickness, sometimes up + down
 Em7 A7 (Gbase) F#10 CM7 G
 I love you - and sometimes you'll find out

" " " - so I sing in this song,
 " " " - you know we get along.
 Walking to the ocean, oh how we belong
 I love you - the way that you come on

Em7 A7 Em7 A7
 We are like a story - we are like a jest
 WM7 are like a riddle - or an ~~enigma~~ or a guess D9
 Em7 A7 Em7 A7
 where is it we come from - where is our carter
 CM7 some love is where we dangle; other where we rest. D9

I love you - feeling after met
 " " " - almost like a net

Mainly pretty normal, nothin' new or so upset
 I love you - something that I said.
