

What's the Time?

GM7
 What's the time? Do you know?
 Time goes by and time just goes,
 On the black and in the winter snows.

What's the subject of this song?
 Time don't mend it just keeps on,
 In the spring and our backyard
 Time don't leave no rubbish or no postcards
 Time don't get no grudges or no favors
 Time don't never loves
 Give no pictures and clothes
 Got no whate or whate
 No life savors

What's the time the next of truly passes
 Whose the guy that's reading time with glasses
 Who put into hourglass molasses
 It's about time that we pulled over now
 They say time passed they say time don't
 See you sometime if time is still about.
