

Hush up now and go to sleep
and rest you dear or weary eyes
little friend now don't you weep
for soon you will be in happy lands

Doodle doo doo doo do
If I was a baby but 2 ft or
know what I would do for fun
I'd dance dance dance on Daddy's fat part

If I was a baby about 2 ft 2
Do you know what I would do?

If I was a baby but 2 ft ~~3 ft~~
Know what would occur to me

2 ft 4
know what I would do for me
