

# Dying Love

In a moment be a moment  
Never been before  
Let's appreciate it when it comes  
Call the bugler  
Tell him to be ready  
Be reposed  
Wash our toes

Ch. E Dying love is on her way  
Bringin' her joy today

In an hour be an hour  
Never ours before  
Let's uncomplicate when it comes  
Bring the children  
all Mothers and all fathers  
Patiently We'll wait and see

(Ch.)
