

What's the feelin' today

What's the feelin' today
What is goin' around
Now everyone's different
But something's the same
What's the feelin'
What's " " " " today

What's the word goin' round
Is it heavy downtown
Some can ignore it
Some seem to store it
What's the word

" " " " goin' round

Ch { You are you and I am me
Let's work her and they are 3
Can't escape our harmony
What's the feelin' today

How's the weather outside?
Is it ~~up~~ us at down?
Go check the barter
Or leave the door wide
How's the weather

" " " " outside?
