

Sweet ~~Ally~~ Luvena

Oh I hate to be a lazy man
But ~~lazy's~~ what I am
and ~~hate~~ just makes no problem
So I will, I here in my chair
and if sometimes you hear me swear
It's cause I am just a bit confused

Oh rub my back sweet ~~Ally~~ Luvena

Wipe my brow " " "

Bring me Brandy on the porch
to keep me cool or warm,
and Maybe no one will find me out.

Oh this messy room depresses me
That I think I let it go
Not even Dogan had a perfect seal
but my tools build up with rust
and my ~~alter~~ alter pile with dust
you can find me somewhere on the floor,

When patience, practice and persistence
Meet with such complete resistance
Deep in dissolution I do spin
While my energy's fermenting
I will watch this foul impurity
and remember my dear teacher once again.
