

Check Your Heart Out | April 78 | 3

Check your heart out - check your heart out  
and she will take it tenderly - oh - oh

Put your toes in - Put your toes in  
and you'll find  
your toes have got a mellow mind - oh - d

Jumbo rocks round hidden valley  
Wild cactus flowers in the spring  
Desert makes so few mistakes  
Don't you worry bout the R V's or the snakes

Put your mind to  
what you choose  
and you will wear out all your shoes  
oh - d
