~~gone back against you~~ B7

Go away now knucklehead  
you'd just waste his time  
If he still were alive C7

But lucky for him as I said  
He's buried & his ashes are spread  
Am7 Em

I'm sorry the gurus a false  
There's nothing here that you can take  
He'd merely deceive:

you so stay not to leave  
~~Till you~~ ~~wasted away~~  
and he'd laugh at you in your poor fate

I'm sorry the ~~mag~~ master is out  
and probably won't be about  
and if he were in D7

He'd not see you then  
you're obviously some sort of lout  
~~and~~ and will live in perpetual doubt  
F

I'm sorry the ~~the~~ Honored one's fired  
~~the~~ The steam for his bath has been fired  
and you don't seem the kind  
He'd pay any mind - Anyway you're far too wired - When you would ~~down~~  
you won't get inspired

OK he will see you a sec - Even though you are a wreck  
You'll never survive & suspect - But you made it this far my respects
