

74) Waiting for Coffee and Paulsake
Jan. '72 ~~Edward~~

^{C7}
I'm waitin' for some ~~pancakes~~
from my mom

I'm ~~been~~ oh so patient
and so calm

~~What she brought~~
Will they be just like the ones
she made before when I was young

I'm waitin' now with whetted tongue
for pancakes from my mom

I'm waitin' for some coffee from
him being just as ~~careful~~ careful

When she brings it for me
I shall bend right down
Upon one knee

And thank her all so gratefully
For Coffee from Dream
