

Did you ever feel you'd left someone  
stranded behind  
Waiting at a service station for you

to turn around  
~~But~~ you never ~~can't~~ quite remember  
Although it ~~is~~ ~~of~~ ~~regged~~ at your mind  
There he is ~~best~~ still sitting there

On a 55 gal. drum

~~But~~ ~~what~~ ~~for~~ ~~you~~ ~~to~~ ~~come~~  
Fully expecting ~~for~~ you and your buggy to come  
I'm your long lost friend

Coming back my dear to ride around with you again  
I'm —

I'm —

Sorry I left you behind

I —  
Must a had something on my mind

I'll never do it again
