Don't say no - This she said in no uncertain terms

If you do I'm sure you'll find

another love and blue ~~eyes~~ ^{slaves}

Don't say no - least give it a try.

Don't say yes - she told me contradictorily
what on earth she could do

She's got me in a squeeze

I folded my hands

and put them on my knees.

I was free to choose

I ~~tried~~ ^{tried} to hide

whoa + kicked off my shoes

Took the coastline drive

Don't back down - This she said with her fierce glare

Time has come and time has come

the ruffles in our guilt

She is lost and I am smooth as silk
