No no no no no

I know you know  
Everybody I suppose  
But baby we just don't know  
He knows she knows  
Aboriginee knows  
But maybe Nobody knows,

Ch. E With a no no no and a no no no  
and a no no no no no  
and a no no no and a no no no  
and a no no no no no,

you say I say Clouds in the sky say  
But baby ~~but baby~~ we just can't tell  
Himher says and he she says  
And maybe another specie says  
But maybe nobody tells

Ch. I am you are ~~but~~  
Even tralfamadore  
But baby we're maybe not  
We are ~~but~~ you are  
They and kangaroos are  
But maybe Nobody's out

Ch. I quit you stop  
Somebody please call a cop  
Cause baby it ain't no crime  
We fear the fog is out  
Suddenly there is no doubt  
We're stepping out there in time

Ch.
