

The Patriarchs Delight

Time was - we turned ourselves about
threw our playthings out
Net of faith or doubt

Ch. { One of the night
of the Patriarchs delight

Space was no special room to rest
of no cause we went
nothing bought or lent

(Ch.)

C7 There was Vinilikirti
He wore a shirt
Sat right next to Layman Pang
Nagayama said a word or 2
Hakurepa sang and flew

How fine! No competition relating
of the Way, No discriminating,
No arguing or interpreting
(Ch.)

There was O-shaka-sama, the Dalai Lama
Bibashi Butsu 'rived on the dot
Bodhi Dharma, Dogen, Trudy Joe
But - Suzuki Roshi forgot

It got late - although time was shot
We went back - although space was not
Well remember - although we forgot
