# Sunlight, Water and Love

(6/8)

<sup>C Em Am</sup> Sunlight sits on the floor  
<sup>Em</sup> Wa<sup>Am</sup>ys in the air  
<sup>C</sup> Stops at the door

Oh Sunlight, you're sure on your own!  
I'll appreciate you and wait you out till you're gone!

<sup>C Em Am C F F9 C</sup> Spring water sits in my hand  
Flows through me all  
Covers the land

Oh, water! I never can own!  
Though you never refuse you always move  
Through on and on.

(7/4) <sup>Gm7</sup> If things could last beyond this hour  
<sup>C6</sup> Never be carried away <sup>Am7</sup> D7  
<sup>Gm7</sup> Nothing would be new  
There'd be no me and you <sup>D7</sup>  
No mystery in every passing day! <sup>Gm7</sup>

(6/8)

Our love is streaming on  
Like daylight and rivers  
Throughout everyone  
Oh love, we cannot possess!  
We will celebrate you  
Not consecrate you for our loneliness
