

Bird Flyin Summer '71

40

Hey there yellow bird
flyin through the air
No matter who you are
Hey there yellow bird
I'm warm at you there
Flyin above my car

Maybe we're both going
to Salinas then cutting
down by Carmel Valley way
Hey there yellow bird
flyin through the air
I'll see you another day

Flyin' off a far
Do you want to end the war
If you'd just use your vote
~~Nixon'd be all over it~~
The vietnam war could be over
