

60) Summer '92 ~~about morning~~

Waitin' for my love to come

Waitin' for my love to come  
Take me to the beach for  
some ~~skin~~ <sup>sun</sup> and sun

But there ain't no way <sup>AM</sup> <sup>CG</sup>  
She's so far from the bay <sup>And</sup>  
and it's only today

Wishin' it could have her near  
so she could help me disappear  
askin' for no pay

I'd pay her something anyway  
But it's only today

I am locked up + tightly inside <sup>F</sup>

She will visit <sup>a room</sup> <sup>nightly</sup>

~~OK~~ with her church key  
Gotta see the gloom

Waitin' for my sweetheart  
to arrive

She could surely chop her side  
Removes she goes away  
I'm gettin' them together OK  
and it's only today.
